

## **COVID-19 Information**

We want to reassure our guests that we have taken additional steps for the safety of everyone including yourselves and our staff.

Staff training has been provided and we use appropriate PPE i.e. disposable masks, disposable plastic aprons, disposable gloves and a face visor as required

Before entering the building we would please ask everyone to use hand sanitizer.

We have always had high standards of cleanliness but have added extra cleaning and sanitizing of all touch points. The keys are thoroughly sanitized between guest stays.

We are currently operating a self check-in system to avoid face to face contact.

All payments to be made remotely by debit or credit card.

If you or anyone in your household is showing any symptoms of Covid-19 please contact us prior to arrival.
